Don has served with the CDS Board of Trustees since 2012 in a variety of roles including Treasurer (2013-16); Vice Chair (2016-17); and Chair (2017-Current). In addition, he has volunteered in several areas at CDS from Windy Gap chaperone to participating in the Fine Arts Department.

Don has participated as an informal advisor and formal interviewing of CDS administrator roles throughout the past decade. He has also been involved in an advisory capacity for searches for a variety of church leaders at CCC and has significant experience hiring management roles in a business context. Don is the Managing Director-Healthcare Practice Regional Market Leader at TIAA.

Don and Allison have been married for 28 years and have three CDS graduates: Garrett (Class of 2016), Jackson (Class of 2018) and Charlie (Class of 2021). The entire family has graduated from or is currently attending UNC Chapel Hill.

What initially attracted the Moseleys to CDS was exactly what is articulated in our mission statement and the positive word of mouth we heard from friends at Christ Covenant Church about the tremendous experience they were having at CDS, along with knowing some of the terrific teachers. What kept us at CDS for all of the years our boys attended was the Lord's provision, the school delivering on its mission and vision, the amazing faculty, the depth of instruction academically and spiritually, the range of opportunities and experiences our boys were able to have in both curricular and extra-curricular activity, the preparation they received for life beyond CDS in so many ways, the tremendous friendships they formed, and the community that embraced us all. Finally, I appreciate in my board role being able to serve the Lord in a ministry that impacts many hundreds of children for the Kingdom of Christ every day of every school year while delivering education with excellence and with the love of Christ.
