

CDS LEGACY CAMPAIGN
PHASE I (COMPLETED IN 2016)

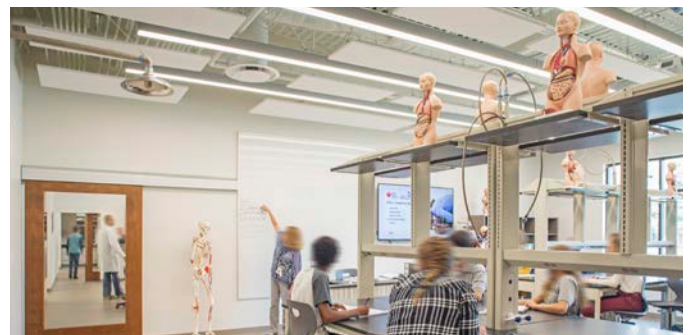

The DeLapp Learning Commons features a computer lab, study spaces, and breakout rooms.

Our cyber learning rooms give students the opportunity to live stream with professionals and professors from all over the world.

The Roper Center for Visual Arts gives students numerous opportunities to be creative! The space features an art patio that provides natural sunlight, a space to create and display artwork, pottery wheels, and a kiln.

Whether eating lunch with friends, studying, or attending a school event, the Student Commons is a great space to enhance community among our students and school community as a whole.

The Bullard Family Playground and the Webb Fitness Center were completed in the Fall of 2015.
