

Flik Independent School Dining is proud to be the new dining service provider at Covenant Day School. We are the market leader in independent school dining, currently serving over 190 prestigious private and independent schools. Our successful partnership with independent school communities is based on our mantra *Nourishing a Brighter Future*.

As your new provider, our business and responsibility is to provide a top quality, nutritious dining service. Our passion is represented in our menus and food preparation philosophy. We start with fresh, whole ingredients and prepare our menu items from scratch. School menus, which will feature local and sustainable items, are created on your campus, specifically designed for your dining facility and your community's needs.

Once the school year begins, menus can be found on your school's dining website:
